FOREWORD

In a world almost dominated by Godless ideologies and rampant with dangers to the fundamental principles of Christianity, it is very consoling to consider that there still exists a code of educational norms that serves as a real rampart against pernicious doctrines and erroneous standards of conduct. The foundation of a system of education is grounded in the philosophy of such a system.

The Catholic Philosophy of life, which recognizes that every human being has an immortal soul, that he has an immortal destiny as well as an earthly existence, and that education to be complete must prepare the student for his ultimate life at the same time that it fits him for a successful career as a member of society, is the underlying foundation of the education inculcated at La Salle College.

During the past four years we have had the great privilege without any merit on our part to be among the chosen few to avail themselves of the spiritual and physical opportunities offered by La Salle and it is from the abundance of our appreciation and our gratitude that we make haste to try to impress on our underclassmen the importance of the advantages that should be derived from their stay at La Salle.

We leave La Salle confident in our spiritual outlook, determined to profit by the guidance given us and thus contribute our share of help in the many tasks which will undoubtedly be thrust upon us.

We sincerely hope that you who remain to continue your education will derive the fullest measure of benefit from your work and thus you will attain the ultimate in the preparation for a successful career.

Members of this group supervise and advise the classes taken as a whole in all of their activities such as election of officers, dances, Junior Week, Senior Week, etc. They advise as to the time, place and purpose of the meetings as well as to the method of procedure. Counselors meet at the times stated in

the calendar of the "Agenda" and at other times when necessary. At class meetings they may give advice or information when they think it necessary or when requested.

The students should feel that the Counselors are there to assist them in every possible way and not to be a check or hindrance. This method has always been very effective at La Salle and we know that it will continue to function well.

Activities of a purely cultural nature, such as "The Collegian," "Masque," Glee Club, Orchestra, Debating, Bar and Bench, Pre-Medical Society, Language Societies, etc., come under the supervision of this committee. It approves or selects speakers and others, as well as attending to their entertainment as guests. The duties of this Committee include the arrangements for outside lec-

turers and entertainers as well as for the weekly Student Assembly.

If representatives of any Student Activities wish to make announcements at the weekly assemblies a request, in writing, should be presented to the Secretary of this committee. This request, with reasons therefore, should be made on the day before the meeting at the latest.

Student Advisers have been selected because of their practical knowledge of the moral as well as the scholastic difficulties met with by College men. Besides the religious instruction they impart to each class as a whole they consider it their duty and pleasure to give individual advice to any and every stu-

dent who requests it or needs it. This applies, not only to their religious and scholastic questions, but also to any misunderstanding that may arise in their dealings with their professors, fellow-students, or observance of the college regulations. IF NECESSARY, THE STUDENT IS FREE TO SELECT ANY MEMBER OF THE FACULTY AS HIS ADVISER.

SCHOLASTIC REGULATIONS

The principal scholastic regulations are included in the La Salle College Catalogue for the year 1941-1942.

Notices placed on the bulletin boards or elsewhere, and which refer to the Catalogue will have the Catalogue number preceded by the letter "C," for instance, "C 16." For those which refer to the "Agenda," the number will be preceded by the letter "A," as "A 16."

REGISTRATION AND ROSTER

1. *Freshmen.* Freshmen are required to be on the campus three days before the upper classmen report. This time is called "Freshman Week." The new student consults with an Adviser or with the Dean or Registrar regarding his curriculum. He takes the necessary tests, learns about the extra-curricula organizations of the College from their respective representatives, and in general becomes acquainted with the College, the Faculty members, and the other members of his class.

2, Every student must deposit a copy of his registration card with the Dean, the Registrar and the Bursar.

3. Copies of the approved roster of each student must be presented to the Dean and the Registrar October 6, 1941, and February 2, 1942. A student should be ready to produce his roster card upon the request of the Dean or of the professors.

EXAMINATIONS, GRADES, CREDITS

4. Absence from semester examinations, as well as from the mid-semester tests, is recorded. Only for very serious reasons may any examination be taken outside of the regular schedule and then only with the permission of the Dean. It will be recorded as "Delayed Examination."

5. A mark of "E" obtained in a delayed examination will be considered and treated as the equivalent of an "F" rating. A charge of One Dollar is made for each delayed examination. This examination must be taken before the beginning of the next semester.

6. The semester grade of a student in any subject consists of two parts. First, the class work of the student for the whole semester counting not less than 40% nor more than 70% of the total;

second, the semester examination covering all the work of the semester supplying the remainder of the 100%.

7. A student whose mark is "F" in the regular examination shall be considered a failure. He shall not be given a condition examination for any reason whatever, but shall be required to repeat the subject. This repeated subject has the preference in his roster for the following year. However, the student is advised to remove the failure by summer work.

8. Examinations will begin at the scheduled time. No student will be admitted to the examination hall after another student has left it. No time allowance will be made for lateness and the student must hand in his paper at the appointed time. If he wishes to take an examination he must obtain a special permission from the Dean and it will be counted as a "Delayed Examination." If there is a conflict in the schedule it may be adjusted by the Dean or the teachers concerned.

9. No student will be allowed to carry a text book, note book, papers of any kind into the examination room. In some cases table books, such as logarithms, may be used but only with the

written consent of the teacher of the subject. This permission must be presented to the Proctor in charge who will examine the book before the student will be allowed to retain it. "Cribbing" or copying is absolutely forbidden and will be heavily penalized.

10. A student's grade for a full year subject will be based upon the work of the two semesters. An exception is made in the case of a student who has an "E" or an "F" in the work in a subject for the first semester. In this case, if a student has not performed much better work during the first half of the second semester he will be dropped from the subject and the mark "F" for the year will be placed on his record. If a student's average mark is "F" for a full year subject, that subject will have to be repeated.

11. If at the end of any scholastic year, a student has grades of less than "D" in one-half of the credit hours of that year, he shall be asked to withdraw.

12. Credits from correspondence or extension courses are not recognized by the College.

13. No one but the teacher of a subject can give or change a grade in that subject.

14. The official reports of examinations are issued by the Registrar's office in February and in June.

15. Any question as to the correctness of a grade or credit must be raised before the end of the following semester.

16. It is well for the student to keep carefully the semester reports sent to him. From these he may at any time take his scholastic record to date. The offices do not give out grades to students between reports.

17. Applicant for a degree from La Salle College must perform all the work of the Senior Year at the College.

18. Students who enjoy scholastic scholarships must maintain at least a "B" average throughout their course. If the average falls below the minimum, the holder of the scholarship may be penalized by the permanent or temporary loss of his privilege. Students who are receiving other forms of assistance must maintain good standing throughout their course or withdraw from the College.

19. An "Incomplete" is graded FAILURE, "F," unless the subject has been completed before the next semester begins.

ATTENDANCE

25. Students reporting to classes more than ten minutes late shall be registered as absent and be given a "cut." Less than ten minutes late will be counted as a "half-cut." The teacher shall decide as to whether or not the student has a reasonable and legitimate excuse and may act accordingly.

26. The student must present, in writing, his reasons for absence to the Dean or his representative within twenty-four hours after his return to classes otherwise they shall not be considered. The Dean shall decide as to whether or not they are acceptable and shall so notify the teacher and the student. Excuses given over the telephone will not be accepted.

27. Even though a student may have a legitimate reason for absence it will not be accepted if, in the opinion of the Dean and Faculty, he has impaired the efficiency of his work.

28. Each department penalizes absences and lateness by the assignments of grades and of extra work in any manner it may see fit.

29. Professors have the right, and should use it, to require the recitations of omitted assignments.

30. A class is to be considered dismissed if the instructor does not report to duty within ten minutes from the beginning of the scheduled period unless it receives other instruction from the Dean's office.

31. If a student has reached the number of "cuts" or absences allowed per semester he will not receive permission from the Dean to accompany the teams or engage in other activities detrimental to his attendance at classes. His absence from classes will add to his demerits.

MISCELLANEOUS

35. Degrees are conferred by the College only at the public commencement in June. All candidates for degrees must be present at the Commencement.

36. To be eligible for any class office, including chairmanships of committees,

a student must have clear academic and disciplinary records.

37. Students are held responsible for information and notices posted on the bulletin boards within twenty-four hours after posting. Anyone who neglects a summons to the executive offices of the College will be suspended from all classes as long as necessary.

38. Smoking is forbidden in all parts of the College except in those places designated.

39. The dress, posture, actions, language, and tone of voice of a cultured college man is expected at all times.

Every student is expected to wear collar, tie and coat in class, Auditorium and elsewhere on the campus. Students should refrain from loud noises in the Quadrangle, classrooms and corridors of the College buildings as they would cause annoyance to classes in session.

40. In case of injury to any building, or to furniture, apparatus, or other property of the College, the damage will be charged to the student or students known to be immediately concerned.

41. Dances, entertainments, class and club activities of any kind must have

the approval of the class or club Counselors or Moderator, and of the Dean. Officers of these organizations will be held responsible that this regulation will be carried out.

42. Clubs and societies, as well as classes, should notify the Moderators or Counselors of the time and place of meetings so that they or their representatives may be present.

43. Insignia of any kind which gives an impression that it refers to La Salle College or any of its subordinate functions or activities must have the sanction of the Dean. The wearing of unauthorized insignia in the College or premises or any affair connected in any way with the College is strictly forbidden and may be penalized by temporary exclusion from classes.

44. No solicitation or acceptance of advertising material may be made by any student of the College for use in any publications, programs or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Class Counselors, Moderators or Dean.

45. Students are forbidden to engage in merchandising of any kind on the premises of the College.

DEAN'S HONOR LIST

After the completion of each set of semester examinations, those students who receive ratings of not less than "B" in every subject required by his course will be placed upon the Dean's Honor List and will be designated as an Honor Student. He must have complied, also, with the disciplinary regulations of the College. He is entitled to wear the special ensignia until the time of the next semester examinations. Honor students are exempted from the regulations which refer to attendance in all subjects except Ethics. This privilege will be revoked if the credit of the student falls below "D" in any subject in the mid-semester tests.

HONORS AT GRADUATION

A candidate for a Bachelor's degree who has an average of 3.8 in all courses for which he has registered at La Salle College will be designated as "MAXIMA CUM LAUDE." "MAGNA CUM LAUDE," for those who received

a 3.5 average. "CUM LAUDE" for those who have 3.2 average credits. These honors are reserved for those students who have no conditions or failures on their college records.

SENIOR ORAL EXAMINATIONS

Senior students who have a scholastic index of less than 2.5 as an average for their first seven semesters will be required to take an oral examination in their major subject, besides their final written examinations. Three examiners for each subject will be selected by the Committee on Degrees.

SENIOR THESIS

One of the requirements for the Bachelor's degree from La Salle College is the submission of a thesis, written by the student, and based upon his major subject. The student who expects to graduate from La Salle College must consult the Professor in charge of his Major subject during his Junior year. The titles and plans of his thesis must have the approval of this Professor before May first of that Junior year. Except during the summer vacation he shall

offer monthly the work he has accomplished and make any corrections or follow any suggestions that may be deemed necessary. The thesis, completed in the form described below, must be submitted for final correction by April first of the Senior year and completed for final approval before May first of the same year.

The thesis will be read and valued by three judges appointed by the Committee on Degrees. The report, as to its merits, will be made to the Committee. To be accepted, the thesis must secure the approval of at least two of the judges.

Thesis must be typewritten on one side of standard paper, double spaced, 8½ by 11 inches, with margins at top, bottom and right hand side, of one inch. Margin at left hand side should be 1¼ inches to allow for fastening or binding. Information as to color, type, and arrangement of standard cover can be obtained from the Librarian or from the Dean's office.

Quotations must be enclosed in quotation marks. The source must be given at the bottom of the page which contains the last line of the quotation. Quotations must also be double-spaced and incised ¼ inch on each side. Complete list of

titles and authors, as well as edition, must be given at the end of the thesis.

No change in the subject matter of the thesis will be permitted without the consent of the head of the Department concerned.

Some Departments may substitute a Comprehensive Examination in the major subject for the thesis. The student concerned should be very careful in selecting this method for it is not used until the time appointed for the submission of the thesis and then it would be too late to make a substitution. Arrangements must be made with the head of the Department and with the Dean.

MAJORS AND MINORS

The various courses of instruction are divided into four groups as follows:

Group I

English
Ethics
French
German
Greek
Italian
Journalism
Latin
Philosophy

Group II

Economics
Education
History
{ Political Science
{ Sociology

Group III

Accounting

Group IV

Physics

Every student who intends to take a degree in regular courses is required to complete a major in one department and a minor in each of two other departments. One of these minors shall be chosen, in general, from the same group as the major subject; the second minor from one of the remaining groups.

The major sequence requires the completion of one department of study with a minimum of eighteen credit hours. Twelve credit hours must be earned in any one subject before it will be considered as a minor. The total number of credit hours for the two minors and the major must be a minimum of forty-two.

The major must be selected and recorded before the end of the sophomore year, and therefore no change of a major will be permitted without the consent of the Dean and of the student's major Adviser. Even in this case the number of credit hours, originally planned, must be completed.

SCHOLARSHIP INDEX SYSTEM

This system has been adopted by the majority of the colleges as a practicable method of grading the students.

A is valued at 4 marks

B is valued at 3 marks

C is valued at 2 marks

D is valued at 1 mark

Multiply the numerical value of each grade by the number of hours per week for each given subject. Divide the gross total of marks by the number of hours per week to find the average.

EXAMPLE

Grades	Subject	Value	Hours	Marks
B	Ethics 101	3	2	6
C	English 101	2	2	4
C	History 123	2	2	4
C	Mathematics 101	2	3	6

TERMINATION OF FRESHMAN RULES

Between the halves of the La Salle-University of Scranton football game on Sunday, November 9, 1941, the Freshman class will go on the field behind the band. When the band reaches the La Salle cheering section the Freshmen will remove their caps and sing the Alma Mater. Immediately upon the conclusion of the song they will shout a La Salle cheer and toss their caps high in the air.

TUG-OF-WAR

During Junior Week the traditional tug-of-war between the Sophomores and Freshmen will take place. Ten men shall

comprise each team. There shall be three tugs and the team winning two shall be declared the victor. The Juniors will supervise and act as judges.

CLASS OFFICERS

The class officers shall consist of a President, Vice-President, Secretary and Treasurer. An Executive Committee will be elected by the class and among other duties it shall plan the business to be

transacted at the meeting. Any member of the class who has conditions or failures may not serve as a class officer, member of the Executive Committee, or Chairman of any committee representing the class or the student body as a whole. This rule applies also to clubs and societies. If any of the above officials acquires a condition or failure, he loses his office automatically and another student, in good standing, may be elected to fill out the unexpired term.

All elections and meetings must have the consent of and be supervised by the Class Counselors. The Minutes of the meetings must be available to the President and Dean of the College upon their request. Elections, appointments, as well as general or particular business of class or general student bodies may be nullified by the President or Dean of the College when they consider it necessary for the common good.

Class officers for scholastic year 1942-1943 will be elected on the dates specified in the Calendar. The Freshman Class may elect trial officers during the first semester but their term of office will last only for the time specified by the Class. The final election for the Freshman year will be held January 29, 1942. The

Senior Class officers for the Alumni group will be elected during Senior week and will retain their positions until the next regular meeting of the Class. Nominations for officers of all classes should be in the hands of the Counselors and Nominating Committee at least two weeks before the elections.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

To insure the integrity of the vote, each ballot shall bear a number which shall tally with the number before each student voter's name as it appears on the official voting list secured by the Counselors from the office of the Dean within the week before the date of the elections.

That the election be considered valid, two-thirds of the total possible vote must be polled for any office in question.

A committee of three, appointed by the Class President, shall comprise the official Board to count the ballots and to announce the election returns. This Board shall be under the direct supervision of the Counselors.

THE BLUE AND THE GOLD

Music by WALTER F. PHILIPP, '27

Words by BROTHER E. FELIX, F.S.C.

Fling out the Blue and the Gold

And wave it wild and free

While La Salle is marching

On to victory.

Rah! Rah! Rah!

Sing our your cheers loud and bold

And join the jubilee.

Fight! Fight! Explorers for victory!

"MEN OF LA SALLE"

Men of La Salle we are marching
With our colors of Blue and Gold
Meeting our foemen with valor
For we'll fight for the glory of old.
So let's to the battle with courage
For our goal is now in sight;
And we'll hope, fight, and cheer
With all our might so strong
Till nobly we have fought and won the
fight.

CHORUS

Fight on to victory!
Onward our watch word be.
We're out to win this game with all its
honor.
For you La Salle we'll always fight and
conquer.
Fight on to victory!
Let all your courage see.
And homeward we'll cheer thee
As sons of La Salle
So fight on to victory.
